The Last House on Mulholland

The Last House on Mulholland is a *visibility* solution.

It leverages its unique location vis-a-vis the **HOLLYWOOD Sign.**

LHOM is the unwritten story of an Iconic home to be designed and built directly under the Hollywood Sign.

WHAT

Own the story of the only home to be built at this global landmark.

HOW

Design, build and brand the home to showcase both product and vision.

WHY

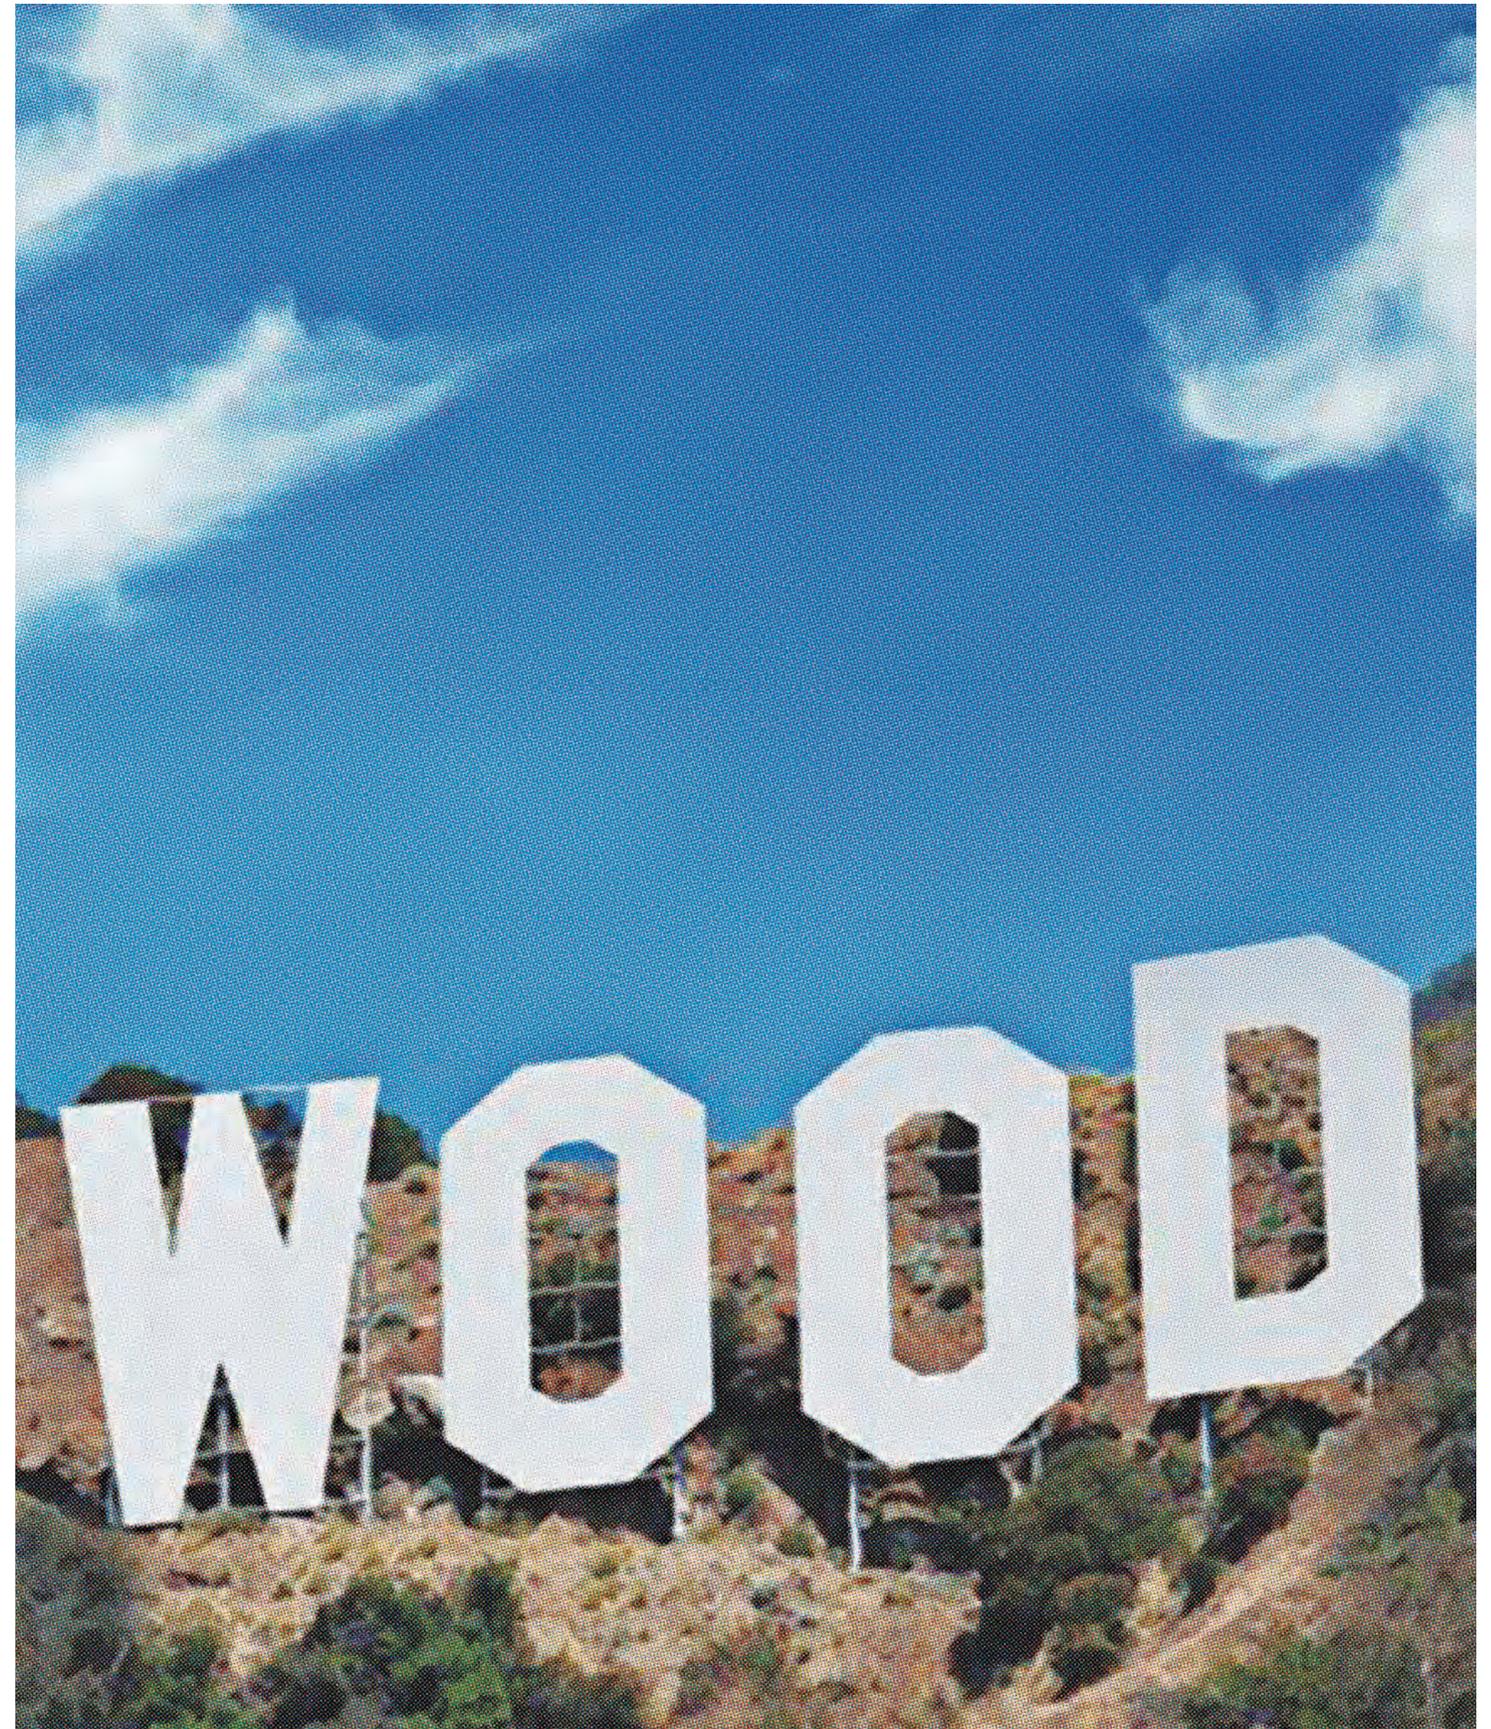

Leverage the location's worldwide popularity and interest to organically amplify your brand's message.

The house becomes the medium for the message.

LHOM is architecture that will be photographed and shared with unprecedented reach.

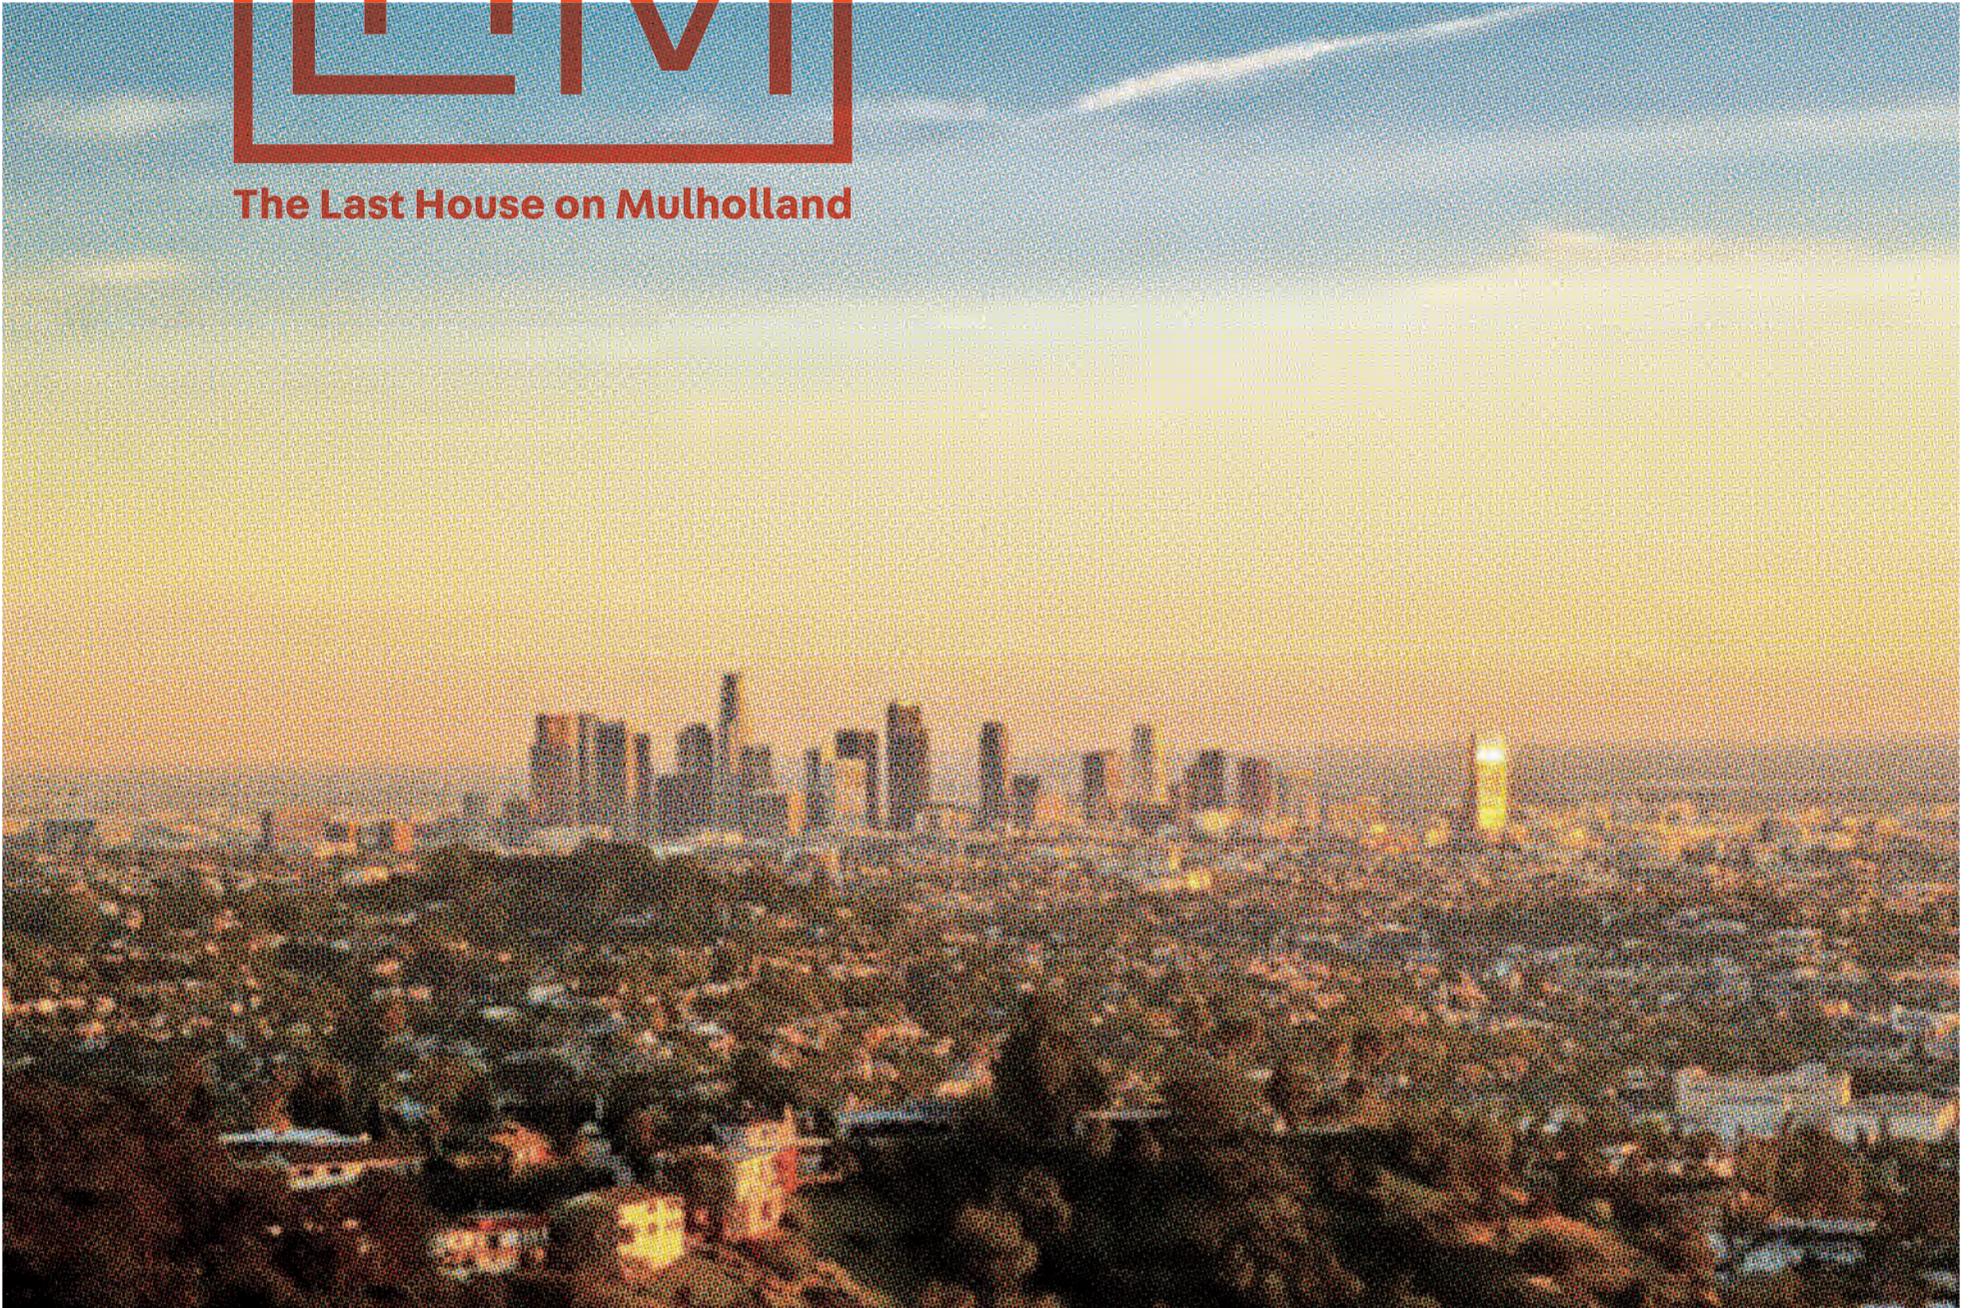

The house is influencer; it drives a narrative that changes behavior.

Let's talk about how LHOM can solve your visibility needs.
